

## Office Twirl Booking Texts

Hi \_\_\_\_\_! This is Julie from the (office pampering, teacher appreciation, vendor event, etc.) yesterday. I'm so excited—you were one of my drawing winners!! When's a good time to contact you with all the details?

When they respond...

You've won your choice of either a FREE Deluxe Facial that includes a hand & lip treatment and a skin smoothing microdermabrasion treatment, or a FREE Glamour Makeover that includes perfect foundation matching, contouring and eye tips!! Which would you be more excited about? Are you more of a skincare or glamour kinda girl?

When they respond...

You're going to love that! And I promise to keep it fast and fun! What's better for you—during the week or on a weekend?

When they respond give them a couple of time options that work for you to pick from (I can do Wednesday or Thursday after work, or I can do Saturday at 10am or 3pm). Which is better for you? When they respond...

Great \_\_\_\_\_! I've got you scheduled in for \_\_\_\_\_(day) at \_\_\_\_\_(time) at \_\_\_\_\_(location). I can't wait to have that time with you to make you look and feel fabulous! I'm happy to have it just be the two of us, but if you have a friend, relative, neighbor, or co-worker that you'd like to invite it makes for some fun girl time! There's no charge for anyone you invite and I can give you some free product for sharing your appointment! Let me know what you'd like to do. Either way, I will be there rain or shine. Congratulations again on being one of my winners!
